SUBJECT: Marina Transport Inter-Cargo Ltd Business Recommendation Letter

Dear Mr. Kolotilov,

I am writing this letter to recommend the service of your company Marina Transport Inter-Cargo Ltd. During the past 5 years our company has been working with Marina Transport Inter-Cargo Ltd on numerous projects. Marina Transport offers high quality service, and we have always been satisfied with your work.

One of the projects we have worked on together, RCC, required the need for quality and attention to detail, that Marina Transport provides. On this project, Marina Transport arranged transportation from various ports of entry, both Russian and foreign, to the site in Kartaly Russia. This project consisted of 25+ shipments, mostly breakbulk with a fair amount of containers & reefers. Marine Transport's attention to details, along with excellent communication skills & knowledge, kept the project on schedule and under budget.

I highly recommend Marina Transport's organization in handling international & domestic transportation.

Yours Sincerely,

Angela Porter, President
